Advanced Diploma in Diagnostic Imaging	380	3.420	342	285	3.800

The place reservation fee will be payable after a student has been admitted to an Advanced Career and Technical Education program, and its amount will vary depending on the program. This place reservation fee is paid every year by all students in the European Career College of Valencia.

Payment of the Place Reservation Fee:

Following notification of your admission to the European Career College of Valencia, you will need to pay your place reservation fee:

By bank debit to the account that the student has provided on the financial and family data form.

By credit card or bank transfer. The payment slip should clearly show the student's first name, last name and ID number.
